MINIMUM WINE ORDER

As a premier North Carolina winery, Childress Vineyards produces an impressive portfolio of award-winning wines to appeal to all wine lovers and satisfy a range of budgets. Whether you choose a variety of wines or limit your event to a couple of popular favorites, our wine list of estate and proprietary wines will make a memorable impression on every guest.

MINIMUM WINE ORDER REQUIREMENTS

A minimum of one case (12- 750 ml bottles) per 25 guests is required for all evening events. Each 750 ml bottle contains approximately four glasses of wine. We suggest planning on two glasses of wine per person, per hour.

A complimentary wine tasting for up to 4 guests is included with the wedding package. Reservations for this tasting can be made with your Event Manager.

Wine orders should be placed with your Event Manager prior to the scheduled event date. Scheduled date will be noted in your provided timeline.

In case it is needed, additional wine beyond the amount of your initial order can be available. Simply provide us with your credit card number to authorize the release of additional wines for service to you and your guests.

Beverage service will end 30 minutes prior to scheduled event end time.

Please ask your Event Manager for a list of available beverages and pricing.

PRIVATE LABELING

To add a unique touch to your event, customize your wine order with private labels or create your own, one-of-kind gift for your guests. The possibilities are endless! Ask us about the lead time, setup charges and minimum orders.
