

SIGNATURE BRUNCH

on the TERRACE

HOW IT WORKS:

Upon being seated a server will bring out hot chips and a pour of sparkling wine for all individuals in the party.

Each individual is to choose one pairing per course, for all three courses. Please mark all of your selections on this menu.

Each food option is paired with a preselected wine that is carefully selected for that dish. A wine educator will present each wine, provide tableside wine knowledge and speak on the pairing before each course.

Sit back and enjoy this elite wine and food brunch experience.

There is a list of add-on options on the back of the menu. Please feel free to order a mimosa or upgrade your pour of champagne to be served in a Chambong. For additional details ask your server.
